## HONEYWELL ALERTS

Please expect a call on Sundays with updates for the week. We will sometimes send out messages during the day or on the evenings during the week. The system will leave a message so please listen to voice mail prior to calling the school. We sent an alert this past Thursday and we received a bunch of calls asking what the call was. You can also edit your information to sign up for text or email alerts by going to <https://instantalert.honeywell.com>. You will be prompted to click on new user for parent and then you will enter some of your child's information that will take you to your current information. You will set up a user name and password and then will have access to edit your contact information and set your preferences for how you want to be notified.

## WINNER! WINNER!

Congratulations to Anna Kimmet and Challie Brihl who were the winners of

the \$25 gift certificates for attending Parent-Team Teacher night. Thank you to all who attended.

## LOST AND FOUND

Please check at home for any items that may have come home that are not your child's. We have a Batman zip up hoodie that has disappeared from school. On a daily basis, lunch boxes and coats are lost. It greatly helps to have names on all items coming to school. That way if they are left outside or in a place they are not supposed to be, we can return them to their owners.

## DISMISSAL

If you are participating in the loop, please follow these guidelines:

- It is a right turn only onto Cherry Street from the loop.
- When trying to enter the loop from Elmer Street, please be patient and alternate once the loop starts moving.
- Please avoid blocking the busses as the loop will not move until the busses have loaded

and are pulling out.

- When entering the loop line from Elmer Street via Wentz, please stay as far to the right as possible so that traffic is not blocked. We have cars that park on both sides of the road and then with cars in line, no traffic including the busses can get through which then results in a grid lock.

## Don't Forget Your Tennis Shoes for Physical Education class!

Your child has P.E. twice a week. It is very important that they are wearing their tennis shoes or that they bring tennis shoes to change into on those days. Children cannot safely participate when they are wearing boots, sandals, flip flops, slip-ons (Crocs), or hard-soled dress shoes with or without heels. If you aren't certain which days your child has P.E., just send a note to the teacher. She will be happy to share that information with you!
