LIBRARY DONATIONS

These books have been donated to our library. Washington Elementary thanks you!

In memory of Shirley Gibson:

Don't Blink
donated by Dave Lucius

HEAT

We are experiencing a heat wave and temperatures are expected to be in the high 80s at the beginning of next week. The building retains heat as well. Please dress students to accommodate for the heat. Also, students are able to bring water bottles in to stay hydrated.

NAMES ON ITEMS

Just a friendly reminder to put names on coats, lunchboxes, etc. Every day we have items put into lost and found that can not be returned because there are no names on them.

GET OUT AND WALK DAY

"Get Out and Walk Day" at Washington K-1 Elementary will be held that Wednesday, October 4. This is to help bring more awareness to the importance of developing healthy habits, particularly becoming more physically active, neighborhood safety, and to also build a sense of community.

Since the majority of our students ride the bus and live too far away to actually walk to school, plus considering their young ages, it is not possible to have an event where we are actually meeting somewhere to walk to school. So instead, our entire school will be heading outside after the morning announcements at 8:30am and will be walking around the block (heading out the Elmer Street front doors, down Elmer to Miami St., Miami St. to Nelson, Nelson to Wentz, and Wentz back to Elmer St. to the school).

The Tiffin City Police & Fire/Rescue Departments will be giving us a full es-

cort through the streets again this year and will also provide officers to walk with our students to help keep everyone safe. Other community members and groups may be joining us.

To make the event more memorable for our students, our PTO has once again funded keychains with a walker and sneaker token to hand out to every student at the end of the event!

There is a rain date set for Thursday, October 5.

OCTOBER 6 OPPORTUNITY

The Franciscan Earth Literacy Center is offering a day camp program for students on October 6 (a non-school day for our students) from 8 am-3 pm. The students will spend the day outside (weather permitting) being a naturalist. Explore the wetlands, stream and woods to see the right habitat for animals. Cost is \$15 and there are scholarships available if needed. You can register by calling FELC at 419-448-7485 or email sshafranek@felctiffin.org.

Volume 1, Issue 4

September 22, 2017

Upcoming Events

- 10/2-10/5 Mobile Dentist at Washington
