NO SCHOOL TOMORROW

Students do not have school tomorrow Friday, October 6. Teachers will be participating in professional development.

BUILDING SECURITY

We need your help. In order to keep our building more secure, we are asking that all visitors enter through the Cherry Street doors and buzz the office. Please understand that if we ask you questions regarding why you are visiting, we are just making sure you are expected and have a reason to be in the building. We can not recognize every person who may need to enter our building so please do not be offended by our questions. We are trying to keep your students safe. Teachers will be notifying the office of scheduled meetings so we can know who to expect and when.

FORGOT YOUR LOOPER TAG?

If you come to pick up your child and have for-

gotten your looper car tag, you will need to sign out your child in the office. If you are in the loop line already and realize you do not have your tag, you can park in the center and walk to the Cherry Street doors and we will have your child waiting in the office or you can drive around the loop line, then around the block (only right hand turn out of loop lane), park and walk in through the Cherry Street doors to meet your student in the office. We are asking you do this so that we can make sure that the person picking up your student without a tag is supposed to and we can keep track on the sign-out sheet. If you need another loop tag, we will gladly give you one in the office.

GET OUT AND WALK DAY

Thank you to Miss Ellis for planning a great Get Out and Walk Day. A huge thank you to all of our community support especially Tiffin University athletes, Tiffin Police department, Tiffin Fire department, Heidelberg students, and Tiffin City

Schools administrators. Thanks to Mayor Montz for saying a few words and supporting our event.

WEAR BLUE AND BOOTS ON MONDAY

Please join Tiffin City Schools as we celebrate Bullying Prevention Awareness Month and "Stomp Out Bullying". We are encouraging all staff and students to wear blue clothing and boots every Monday in October to bring awareness to unacceptable actions and words that are usually classified as bullying.

FALL FESTIVAL DONATIONS

On October 27, Washington Elementary will be hosting our annual fall festival. Each class will rotate through four stations of activities. As part of the activities, we are asking for donations of fall themed prizes such as pencils, erasers or candies. We also are asking for bags of smarties candy. These donations will be used in first grade activities. Kindergarten has all the items they need for their activities.

Volume 1, Issue 6

October 5, 2017
