## KUDOS TO WASHINGTON

The Tiffin Fire Department had nothing but good things to say about how our situation yesterday was handled. Our students and staff did a great job of following our fire safety procedures. Staff and students are to be commended not only for the safety procedures but also for being flexible when we were able to return to the building as our lunch and recess schedule had to be delayed. Great job Washington!

## FALL FESTIVAL

On October 27, we will be having our fall festival at Washington. We will be spending the afternoon rotating

through stations and doing fall-themed activities. Students are not wearing costumes. Teachers will be dressed as book characters in the afternoon to keep our festival focus on reading and learning. Teachers will be leading all activities and we do not need volunteers.
